13.3 Nothing done by the Organisers can reduce this responsibility of the skipper and crew nor will it make the Organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in racing. The organisers encompass everyone helping to run the race and the event, and include the organising authority, the race committee and the race officer.

13.4 The fact that the race committee may conduct inspections of competing boats does not reduce the responsibilities of the skipper and crew as set out in this paragraph.
